**RE: Comments from Koch Mineral Services (KMS) Regarding the Direct Final Rule and Proposed Rule Regarding 40 CFR Part 60, Subpart GG, Standards of Performance for Stationary Gas Turbines Published in the Federal Register on April 14, 2003 (68 FR 17990 *et seq.*)**

Koch Mineral Services (KMS) owns companies with operations in the energy and chemical manufacturing industries. KMS appreciates the opportunity to comment on the direct final rule and the proposed rule regarding 40 CFR Part 60, Subpart GG, Standards of Performance for Stationary Gas Turbines published in the Federal Register on April 14, 2003 (68 FR 17990 *et seq.*)

KMS supports the direct final rule and appreciates the numerous changes that make use of current monitoring technologies, analytical methodologies, and approved custom fuel monitoring schedules. These updates to the rule provide common sense changes that help to streamline compliance while simultaneously maintaining air quality protection. KMS has no adverse comments on the direct final rule.

If you have any questions about our comments, please call me at 316-828-6255.

Sincerely,

Stephen B. Ellingson, Ph.D.
